Dear Stakeholder,

Re: A45 /A6 Chowns Mill Roundabout Improvements – Boy Racers.

We have recently received several reports of Boy Racers tailgating each other and speeding through the A45 / A6 junction, in breach of the temporary speed limits and putting road workers and other motorists at risk.

We are working closely with our colleagues in the Northamptonshire Police Road Safety Team to capture more information and to monitor these reports.

I would be grateful if you would bring this issue to the attention of your staff / drivers, asking them to report any boy racer incidents but also to advise them that part of our joint response plan, Northamptonshire Police may deploy a **Speed Enforcement Camera Van** to the area at unannounced times for the foreseeable future.

I would like to thank you in advance for your assistance in this matter, if you require any further information, please contact me.

Yours Faithfully,

Paul Valentine
