Councillor C Cross enquired as to when a new toilet roll holder would be installed in the ladies public conveniences.

The Assistant Clerk explained that she was currently waiting for the cleaning company to provide the key to the old one so they could unlock it and replace it. She also informed members that some one had set fire to the toilet roll holder in the gents public conveniences so that now needed replacing too.

Councillor Mrs I Rollings brought members attention to another issue on Council property. The bollard at the High Street entrance to Parsons' Green was missing.
